Happy
Halloween 2015
EotHekique

One day in the wonderful world of the
Esthetique Posters, a single brave soul approached
our editors with the most horrible news ever.

What
could've
been so
bad as to
render
all of our
editors
totally
incapable?

FROZEN

Was it a
worldwide
shortage of
manga?
Did those
manga
come to
exist?

Oh, no!
It was
something
much more
outrageous.

Chapter 3 Run Meles

Once Seiji had the chance to play it and, even, will be given the chance to play it and another time.

*Technically speaking, Barakura should not be addressed as "Seiji", but since he wears the ability robes for convenience, he is being addressed as such...
Something along those lines*

*Seiji would be because the students mixed him up with the teacher in school, so he is being addressed as Miyakura-seiji.
You can see it this way, too*

Compared to "Mr. Miyakura", it feels like "Miyakura-seiji" sounds better.

"I have to repay
the trust placed in me."

"This is the only thing I
can do now."

"Run! Melos."

EH?

IT'S
MIZUNUMA-
SENSEI'S
BIRTHDAY
TOMORROW!!

I DIDN'T KNOW-!!

Self-reminder

WHAT KIND
OF CAKE
DO YOU LIKE?

Really?

REALLY,
SHALL WE
CELEBRATE?

NO, I
MEAN LET'S
CELEBRATE!!

Hakuna can also
have meeting.

Also, instead of
drawing the plan to
"read a chapter of
manga before going
to sleep", I ended
up reading at 30
manga...
something like that
always happens.

Every time I illustrate
the manga, the work
volume portion would
be the spring come
in every chapter...

After some spring
comes, I changed my
plan from "drawing
another chapter before
going to sleep" to
"drawing another page
before going to sleep".

So only I could draw
the spring come
episodes. Eventually
to a conflict.

IT'S KIND OF
FARAWAY.
